

RESOLUTION AUTHORIZING THE ISSUANCE, SALE, AND DELIVERY  
FROM TIME TO TIME OF PRELIMINARY LOAN NOTES, THE EXECUTION  
OF REQUISITION AGREEMENTS, AND THE EXECUTION OF PROJECT  
TEMPORARY LOAN NOTES FOR DELIVERY PURSUANT TO REQUISITION  
AGREEMENTS, IN CONNECTION WITH URBAN RENEWAL PROJECT NO.  
UR MASS. 2-3

WHEREAS the Boston Redevelopment Authority  
(herein called the "Local Public Agency"), has entered into a contract dated as of  
the 29th day of January, 1958, numbered Contract No. UR Mass. 2-3 (LG)  
(which, together with any supplements thereto or amendments, modifications, or  
waivers of any provisions thereof, is herein called the "Loan and Grant Contract"),  
with the United States of America (herein called the "Government"), which Loan and  
Grant Contract provides, in part, for a Project Temporary Loan by the Government to  
the Local Public Agency under Title I of the Housing Act of 1949, as amended  
(42 U.S.C. 1450 et seq.), in an amount outstanding at any one time not to exceed  
\$ 13,972,125., to aid the Local Public Agency in its undertaking and carrying  
out of a certain urban renewal or redevelopment project (herein called the  
"Project") designated Project No. UR Mass. 2-3 and which is more fully identified  
in the Loan and Grant Contract; and

WHEREAS the Loan and Grant Contract provides in connection with the financing  
of the Project that if the Local Public Agency can obtain loan funds from sources  
other than the Government at interest rates lower than the pertinent Project  
Temporary Loan Interest Rate or Rates it may do so with the prior written consent  
of the Government and, in any such case, if the Local Public Agency shall have  
complied with all conditions precedent to its obtaining a payment by the  
Government under the Loan and Grant Contract in a specified amount on account of  
the Project Temporary Loan, the Local Public Agency, with the prior written consent  
of the Government, may pledge its right under the Loan and Grant Contract to a  
sufficient amount of such particular payment as security for the repayment by the  
Local Public Agency of the principal of and interest on its obligations evidencing  
loan funds so obtained from sources other than the Government; and

WHEREAS it appears that obligations of the Local Public Agency, known and  
referred to in the Loan and Grant Contract as "Preliminary Loan Notes", issued for  
the purposes as hereinafter authorized, and of the details, description, and  
security as herein provided, are generally marketable at interest rates lower than  
the interest rate or rates which the Government is required to charge the Local  
Public Agency under the terms of the Loan and Grant Contract, and the Government  
is desirous of cooperating with the Local Public Agency in its endeavor to sell  
such obligations in order to reduce carrying charges and other costs of the  
Project and in order to encourage participation of private capital in the financing  
of the Project.

NOW, THEREFORE, BE IT RESOLVED by \_\_\_\_\_ members \_\_\_\_\_,  
of the Boston Redevelopment Authority \_\_\_\_\_,  
as follows:

To the extent feasible, and without limiting the powers of the Local Public Agency to borrow funds directly from the Government under the terms of the Loan and Grant Contract, such borrowings, exclusive of borrowings evidenced by Project Definitive Loan Obligations, shall be evidenced by obligations of the Local Public Agency issued, sold, and delivered pursuant to the authority of this Resolution, and the funds so borrowed shall be borrowed for and used to defray expenses and costs incurred or to be incurred in the Local Public Agency's undertaking and carrying out of the Project, or to retire, refund, renew, or extend its outstanding Project Temporary Loan Notes, if any, and outstanding Preliminary Loan Notes, if any, as hereinafter more fully provided.

SECTION 2. AUTHORIZATION AND DETAILS OF NOTES. The Notes shall be issued in substantially the form of Preliminary Loan Note attached hereto and marked "Exhibit A", with the blank spaces therein completed as required by this Resolution and the facts surrounding each specific series of Notes, and the terms and conditions of said form of Preliminary Loan Note are hereby adopted as though the same were set forth in full in the text of this Resolution. SECTION 3. DETAILS OF SERIES OF NOTES. The Chairman, Vice Chairman or the Treasurer of the Local Public Agency (herein respectively called the "Authorized Officer") is hereby authorized and directed to determine from time to time, and on the basis of estimates, the amount of Project Temporary Loan funds required to provide for the orderly financing of the Project, including funds to retire, refund, or extend in whole or in part, outstanding Project Temporary Loan Notes and outstanding Preliminary Loan Notes of the Local Public Agency, if any; and to requisition such funds, together with estimated interest thereon, from the Government under the Loan and Grant Contract: Provided, That, for the convenience of financing, said estimate shall be rounded upward to the next multiple of \$1,000. Each such estimate shall cover a time period certain, which shall be not less than approximately 90 days and not more than approximately 380 days, in relation to a financing schedule otherwise mutually satisfactory to the Authorized Officer and the Government. Each series of the Notes shall bear the date of the commencement of said time period and shall mature on a date certain upon the expiration of

such period under said financing schedule. The aggregate principal amount of the respective series of Notes shall equal the said estimate of loan funds required by the Local Public Agency, exclusive of said estimated interest, for the period from and including the date of such Notes to their maturity: Provided, That, for convenience of financing, in determining the principal amount of the respective series of Notes said estimate shall be rounded upward to the next multiple of \$1,000. The Notes of the respective series of Notes shall be numbered from 1 upward in orderly sequence.

Said Notice of Sale shall be published on a date mutually satisfactory to the Authorized Officer and the Government, and under a predetermined financing schedule designed to provide to the Local Public Agency funds to assure the orderly financing or refinancing of the Project for the financing period determined pursuant to Section 3 hereof. The form of Proposal (Form HUD-3088 (12-65)) attached hereto and marked "Exhibit C", including the policies, terms, and conditions thereof, is hereby adopted as the form of proposal which shall be required of bidders pursuant to the Notice of Sale: Provided, That the Authorized Officer may consent to a request made by a successful bidder prior to the delivery of Notes to designate a paying agent, if qualified under the terms of the Notice of Sale, other than the paying agent named in the proposal, and, also, may consent to changes in the denominations of Notes as specified in the proposal.

Project Temporary Loan Notes, whether purchased by the Government through direct purchase under the Loan and Grant Contract, or through operations under a Requisition Agreement, or deposited with the Government for purchase pursuant to a Requisition Agreement, shall be numbered from 1 upward in orderly sequence; and each such Project Temporary Loan Note (a) shall bear interest from date of delivery thereof and the payment therefor by the Government at a rate or rates determined in accordance with the Loan and Grant Contract; (b) shall bear a statement at the foot thereof in substantially the following form:

Such Bank or Trust Company must be a member of the Federal Reserve System, or of the Federal Deposit Insurance Corporation, and must have an unimpaired capital and surplus of not less than the aggregate principal amount of Notes designated in the proposal or proposals submitted by the purchaser; provided, however, that such unimpaired capital and surplus need not exceed One Million Dollars.
